Parkdale Secondary students are able to travel to school via walking, riding a bike, parent drop off or bus.

**Walking:**
Students should choose a safe route to school and cross Warren road at the designated school crossing.

**Riding a bike:**
All students are required to obey all road rules when riding, including wearing an approved bike helmet. Students must dismount and cross Warren road at the designated school crossing. There is a secure bike storage area located at the front of the school for all bikes, students must provide and use a secure lock when storing their bike. They are responsible for the safety of their bike.

**Parent drop off:**
We highly recommend using the Mordialloc Community Centre carpark as a safe drop off and pick up zone for students.
NO student drop off or pick up is permitted in either of the school carparks between 8.00am – 4.00pm. This is to ensure student safety and allow the free flow of school buses.
Parents are also reminded U-turns are illegal and dangerous at the front of the school.

**School Buses: These are public bus services and require a Myki card.**
A number of public buses are provided in addition to the regular bus services to transport our students to school.
We have a designated bus interchange on the school grounds to ensure safety for students.
