

PARKDALE SECONDARY COLLEGE

Student Travel

Parkdale Secondary students are able to travel to school via walking, riding a bike, parent drop off or bus.

WALKING:

Students should choose a safe route to school and cross Warren Road at the designated school crossing.

RIDING A BIKE:

All students are required to obey the following laws and school rules when riding their bike:

- Wearing an approved bike helmet at all times.
- Not riding on the footpaths.
- Dismounting to cross Warren Road at the designated school crossing.
- Students must provide and use a lock to secure their bike in the school bike compound.

Please students are responsible for the security of their bikes whilst on school property.

PARENT DROP OFF & PICK UP:

To ensure student safety and allow the free flow of school buses, NO student drop off or pick up is permitted in either of the school car parks between 8.00 am – 4.00 pm.

We highly recommend using the Mordialloc Community Centre car park as a safe drop-off and pick-up zone for students.

Parents are also reminded U-turns are illegal and dangerous at the front of the school.

BUSES:

Public bus routes drop off and pick up students from Parkdale Secondary College, either at bus stops in surrounding streets or in our school bus interchange onsite.

A Myki card is required to be used for all bus services.
