October 2024

Dear Parent/Guardian,

Parkdale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Parkdale Secondary College's voluntary financial contributions for 2025.

Parkdale Secondary College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Attached to this email is the contribution schedule for students in Year 11, 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education, programs, facilities and support for our students.

Parent financial contributions ensure we can continue to provide the following at our school in 2025:

- Provision and maintenance of our facilities – for example, high quality sportsgrounds, gym & theatre.
- State of the art equipment for classrooms and specialist areas such as 3D printers, laser cutters and IT software.
- Literacy & Numeracy support programs.
- Wellbeing staff and programs for counselling, engagement and support of student mental health.
- Teaching and learning resources.
- Vibrant community events.
- Programs such as CONNECT, Challenge and VCE programs.

For further information of the Department of Education's Parent Payments Policy please see the attached one-page overview.

Yours sincerely,

Michael Tuck

Acting Principal

Steve Galjar

School Council President
